The Glaze Family

our story

Hello, my name is Lea Glaze. I am a Teacher in the Toddler Program at a nonprofit school in Ann Arbor and am presently a student at The Center for Guided Montessori Studies. I grew up in Ann Arbor and graduated from Pioneer High School. I attended Tuskegee University for a while but returned home and finished my degree at Washtenaw Community College. When I am not working or doing homework I enjoy listening to music, doing puzzles, and spending time with my thirteen-year-old son, Jalen.

Jalen is an eighth grader at McBride Middle School in Belleville. Jalen is all about basketball. If he's not playing it he's watching a game, talking about it or reading about it. Jalen is looking forward to putting a basketball hoop up in the driveway. He once only had NBA goals but has recently added Real Estate or Cinematography as career options.

For the majority of Jalen's life, we have lived in Ypsilanti. We currently reside in Belleville where we have been for two years. We are so excited and thankful for the opportunity to own a home!

As a single mother, home ownership wasn't an option until now. I am happy for Jalen to have a neighborhood where he can make friends and call it his own. In a few years when he leaves for college, he will have a house to return to. We're almost home...
